Dear Mr. Weisberg:

This is in reply to your letter of December 8, 1967, concerning records of the Warren Commission.

The Liebeler-Griffin memorandum of September 25, 1964, does not contain statements corresponding to your description. It contains one sentence, however, which is worded in a way that could have been the basis for your impression that such statements are in the memorandum. We cannot undertake to furnish copies or quotations of individual sentences or parts of documents withheld from research.

Sincerely yours,

Robert H. Bahmer
Archivist of the United States
